Lesson Length/No of Sessions: 2 — 30-minute lessons	

Objectives:

1. Students will be able to use a Wisconsin road map to locate cities, rivers, and roads to aid in planning a trip from Mondovi to one of the cities on the video.

Process:

1. Show video clip 1a.
2. Locate Wisconsin on a globe or wall map.
3. Divide students into groups of 2 or 3.
4. Give 1 laminated road map to each group.
5. Show complete program – Geography 1 (A Place Called Wisconsin)
 - ☐ Pause the video after the location of each city is shown.
 - ☐ Allow each group to locate the city on their map.
6. Using the compass rose, have students tell which direction each city is from Mondovi.
7. Each group should then choose a city on their map.
8. Each group will trace roads and highways to show a possible route to that city from Mondovi.
9. Each group will then share their trip with the class.
10. If time allows, students may plot routes to other cities.
